### Diabetology International

ISSN: 2190-1678 (Print) 2190-1686 (Online)

#### Description

*Diabetology International*, the official journal of the Japan Diabetes Society, publishes original research articles about experimental research and clinical studies in diabetes and related areas. The journal also presents editorials, reviews, commentaries, reports of expert committees, and case reports on any aspect of diabetes. All manuscripts are peer-reviewed to assure that high-quality information in the field of diabetes ... [show all](#)
